Nursing With An International Flavor

A unique opportunity exists for those individuals who seek the excitement of working in a challenging and sophisticated environment, of living in a multi-cultural community and of traveling to new and unusual places...a whole new lifestyle waiting to be explored.

Seek the best...the philosophy, attitude, and service of the **King Faisal Specialist Hospital and Research Centre** in Riyadh, the capital of Saudi Arabia. The hospital, a modern 250-bed tertiary referral facility with a 150-bed medical care facility, is dedicated to providing quality health care to the citizens of Saudi Arabia.

Staff Nurse and Assistant Head Nurse positions are available now or periodically in:

- **PEDIATRICS (Medical & Surgical)**
- **NICU**

Requirements include three years current experience in an acute care hospital, and US/RN licensure. Twenty-four month commitment. Starting salary for Staff US/RN's is approximately $32,900 annually (potentially tax-free upon qualification under new tax law). The exceptional benefits include furnished lodging, free transportation, 30 day annual paid leave, bonus pay and bonus leave.

If you would like to become a part of this multi-national health care team, then we would like to hear from you. For further information and/or to apply, please call our toll free number **(800) 251-2561** or send your resume to: **Dianne J. Doubet, Personnel Consultant, HCA International Company, P.O. Box 550, Nashville, TN 37202.** An Equal Opportunity Employer.
